

# GOBIND SARVAR SCHOOL

## UNIFORM GUIDELINES

The Gobind Sarvar School uniform fosters school harmony and a sense of community. It is a symbol of honor and character. It allows our student body to find ways to differentiate themselves outside of clothing choices.

Wearing the uniform properly and with pride shows your commitment to your School and support to Gobind Sarvar School as a whole. Wearing the school uniform also prepares you for your life after school when work will set expectations for you to dress professionally and appropriately. The uniform helps to reinforce the identity of the school and the attitudes and orientation that the school aims to instill in its students.

All students are expected to dress modestly. New this year, children must wear their Gobind Sarvar School uniform for the full day on days when they do not have Physical and Health Education (PHE) and their PHE uniform for the full day on days when they do. There will be no changing at school.

The students are responsible to make sure they have everything from their proper shoes to their appropriate ties and shirts tucked before entering the school. The office will no longer have ties to lend to students. The school reserves the right to address students' adherence to the uniform policy set in place.
